

Dromore action plan 24/25

Star survey top 3 2023

The estate is not secure, and anyone can enter – Dromore is in a low crime area, and the cost of installing security doors would outweigh the benefits.

Better communication – we aim to give residents as much notice as possible for any works being carried out.

Have an effective complaints policy that staff follow – all our policies are available to residents upon request and are on our website.
